

PILOTMOVERS IS DELIGHTED  
TO BE RECRUITING  
FOR A320 CAPTAINS ON  
BEHALF OF CHONGQING  
AIRLINES

重庆航空  
CHONGQING AIRLINES

Chongqing Airlines is the only flagship airline with the main base at Chongqing Jiangbei International Airport.

# CHONGQING AIRLINES

On June 16, 2007, Chongqing Airlines Co. Ltd. was officially formed by China Southern Airlines and Chongqing Municipal Government as a gift for the Tenth Anniversary of Chongqing City having been a municipality. Its base was established at Chongqing Jiangbei International Airport.

Chongqing Jiangbei International Airport has become the first airport operating three terminals and three runways in midwestern China. Chongqing Airlines is the only flagship airline with the main base at Chongqing Jiangbei International Airport. Chongqing Jiangbei International Airport is one of the most modern airports in China, and the new terminal 3 was officially put into operation in August 2017.

Chongqing Airlines' shareholders are China Southern and Xiamen Airlines. China Southern operates the largest fleet in China and the fleet size is ranked 4<sup>th</sup> in Asia.

The airline now operates 18 Airbus aircraft, of which 5 A319 and 13 A320. At the end of 2018, the fleet size is expected to reach 30 aircraft, and by 2020, the airline will expand to 100 Aircraft. The Airline operates more than 40 air routes, of which Singapore, Bangkok and Phuket are international.

Our pilots receive personalized attention, customized preparation packages and unique know-how of several Chinese airlines

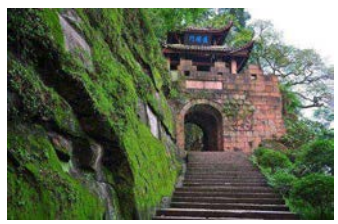

## ABOUT CHONGQING

Chongqing is surrounded by rivers on three sides and by mountains on one side, forming a unique and splendid city scape.

The city of Chongqing can be best described as southwest China's commercial capital. Since 1997, the city has become the fourth municipality, independent from Sichuan Province.

Chongqing, one of five central cities in China, is surrounded by rivers on three sides and by mountains on one side, forming a unique and splendid city scape. Over 30 million residents live in this city, the bright pearl in West China.

The climate of Chongqing is considered humid subtropical and it has four distinct seasons. Summers are hot and humid while winters are short and mild. The average August high temperature for Chongqing is 92.5°F (33.6°C) and the average January low temperature is 43°F (6°C).
